Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The applicant indicated that an alternative use for the methods of installing (implanting claim 106) is for cell fate mapping. The examiner stated that based on his argument, to be made relevant, applicant, the installation claim 106-108 would be considered allowable. In regards to therapy, the examiner suggested bringing in more data to support therapy use, to recited cell types, in particular therapy of leukemia, osteoporosis etc. The examiner also argued that amendments of "handheld" to "transplanted" and the inclusion of syngeneic cells would be enabled.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
